Dear Ms. Barr:

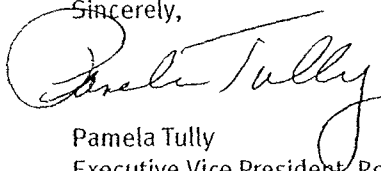

On behalf of United Way, our partner programs and the thousands of people whose lives will be improved by your generosity, I thank you and ABC 7 Chicago for your corporate gift of \$30,690 to our 2007 campaign. Your contribution will help thousands of people overcome challenges and become independent.

Supporting United Way is the most effective way to improve lives and strengthen our community. United Way works to understand the unique needs in each of the 238 community we serve across the region, and then we support the network of programs that can best address those needs. Or we launch new initiatives that will. We hold ourselves and all of our funded programs accountable for *results*—to ensure that your contributions make the greatest impact possible. For example:

- **Your gift is helping kids succeed in school:** On average, only 20% of Humboldt Park's third graders pass the standardized reading assessment test. But 70% of those who participate in the United Way funded after-school and summer day camp program at Association House pass the state reading assessment standards.
- **Your gift is keeping people healthy:** Between one-quarter and one-third of all preschool children are unprepared to learn because of emotional, behavioral and social delays, such as temper tantrums and aggression, rather than academic problems. However, 78% of children who attend an early mental health intervention program at Albany Park Community Center measurably improve their classroom behavior and social interaction.
- **Your gift is equipping people to support themselves and their families:** Every year, nearly 166,000 people in our region experience homelessness. But 92% of the *formerly homeless* families that receive job training, housing assistance and personal budgeting classes through a United Way funded program at Bridge Communities are not only off the streets but are maintaining stable housing and employment—and 22% even own their own homes.

Your gift makes a measurable difference, where it's needed most. Thank you for your extraordinary corporate citizenship. Your involvement is making Chicagoland a better place for all of us to live, work and do business.

Sincerely,

Pamela Tully

Dear Emily,

On behalf of all of us at the Greater Chicago Food Depository and the people we serve, thank you for working to ensure the success of the 2007 - 2008 Dominick's & ABC 7 Holiday Food Drive. Your commitment helped raise a total of 131,451 pounds of food and \$131,650.42 - the equivalent of 831,831 pounds of food, or 625,436 meals, for the hungry men, women and children in our community.

The problem of hunger in Cook County is too big for the Food Depository to handle alone. Your time, energy, and support make it possible for the Food Depository to ensure that the 500,000 hungry men, women, and children in our community who turn to pantries, soup kitchens, and shelters for emergency and supplemental food each year, will not go hungry.

Thank you for your response to make a difference in the lives of your hungry neighbors. We would like to invite you to visit the Food Depository to see, first hand, how donations raised through programs like the Dominick's & ABC 7 Holiday Food Drive help fight hunger. The Greater Chicago Food Depository is proud, as always, to be a partner with ABC 7 Chicago in hunger relief. We appreciate your support and look forward to continuing to work with you.

Sincerely,

Dear Emily:

Thank you for supporting the 17th Annual Facing History and Ourselves Benefit on April 22nd. You have helped us raise over \$1.4 million for our work with more than 2,200 teachers and the 220,000 students they reach each year in the Chicago area. Facing History is poised for major expansion fueled by generous donors in Chicago and around the world.

With your ongoing support, we will continue to enhance the work of Facing History by engaging students like 14-year old Francheska, who said, "*The biggest impact [of Facing History and Ourselves] and most important lessons for me have been to give me hope, to want to be a better person and to make a positive difference in the world that gives my life purpose.*"

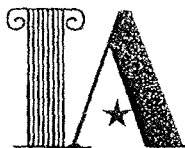

We hope you will take the time to learn more about us by visiting a classroom, attending our free community events, and checking out our web site at www.facinghistory.org.

Once again, thank you for your support of this work, which is so important to our children here and around the globe as they confront an increasingly complex world. Stay with us!

Dear Linda:

Thank you for preparing and sending the VHS reel featuring all the pieces that aired this year on WPVI-TV about our Campaign for Working Families, the EITC and free tax filing. Wow!!

While I had viewed each separately, it was exciting to see everything in one sitting. What a superb job you and your team did: clearly defining the issue, interviewing customers and staff, and top quality production. I don't know if your station enters any of the contests that recognize work done for nonprofits – if you do, I encourage you to submit the reel and I'd like to help with any applications or endorsements. And Art should come with me to do trainings for other cities that do free tax filing, to teach about communications and the media (sometimes we get asked to do this, by the Annie E. Casey Foundation). He knows so much about the issue too – from income guidelines to what's a rip-off.

Despite those commercial tax preparers being more aggressive than ever this tax season (Jackson Hewitt started early, "bring us your *paycheck*"; see enclosed Op Ed, thought you'd enjoy. . .), WPVI-TV got our numbers up. As of March 18, we were ahead of last year in terms of number of tax filers and money brought to families:

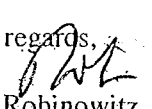

Since the Campaign opened its 17 free tax sites on January 28, it has filed 8,354 tax returns and brought more than \$15 million (\$15,209,914) in federal refunds and credits to its customers (data through March 18, 2006). We're ahead of last year; as of the same date: 900 more filers and \$1.8 million more to families.

We'll be updating the numbers and celebrating at our Annual End of Tax Season Party. I hope you, Art and Warren can join us. (Hey, the camera guy is welcome too.)

On behalf of the entire Pennsylvania Governor's Conference for Women team, I want to extend a personal thank you for your support of the fourth annual Conference. Many forces are involved in bringing the conference to fruition each year, but it simply would not have been possible without your support.

As a Conference sponsor, you are the backbone of this event. Thanks to your generous contribution, our Conference welcomed more than 5,000 women to experience an incredible day of personal and professional growth. You can take pride in knowing ABC-TV played a vital role in exposing a broad spectrum of women to thought-provoking and timely discussions on the issues that matter most to women.

The outpouring of gratitude and praise from attendees throughout the Commonwealth has been overwhelming, and with your help a strong foundation has been laid to ensure we build on this year's success.

We look forward to working with you on next year's Conference slated for October 2 in Pittsburgh. Together, we will ensure that the Pennsylvania Governor's Conference for Women continues to be the premier educational and networking event for Pennsylvania women of all ages and backgrounds.

Thank you for your ongoing support of our anti-drug public service announcement campaign.

With Philadelphia as the fourth largest media market in the nation, we are proud to say that we have the support of WPVI-TV to assist us in reducing substance abuse throughout the Commonwealth. Millions of parents and caregivers are viewing the anti-drug advertisements and are encouraged to speak to their child about drug use.

Steve Cline from the Partnership for a Drug Free America and I will be in Philadelphia in March and would love the opportunity to meet with you in regard to our newest media campaign. I will be following up with you shortly to see if we can schedule an appointment.

Again, thank you so much. I greatly appreciate the time and effort that you take for our cause.

Best Regards,

Dear Ms. Munich,

I just wanted to send to you a quick thank you note for your support with our organization.

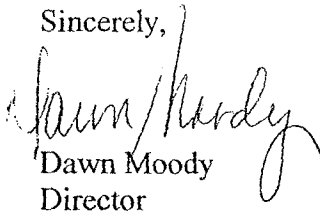

We truly appreciate WPVI-TV 6 ABC broadcasting a 15-second spot regarding our nontraditional training program.

We have received many responses from the broadcasts, from viewers all across the city.

Perhaps if it comes up of interests, maybe we can schedule an up-close interview with one of your reporters highlighting our nationally recognized training program and some of the graduates, as to where they are now. We were spotlighted and interviewed by ABC back in 1990, I believe, on ABC Dateline.

I can be reached directly at 215-235-3427 to discuss this further.

Sincerely,

Re: Television Media Sponsorship of the 2007 Phila. Senior Games

Dear Linda:

The 2007 Philadelphia Senior Games will be held the week of May 21st to May 25th. It would be hard for me to overstate the importance of WPVI's contribution to the continued growth and development of the Games, and I would like to take this opportunity to thank both yourself and your organization for your many years of service to our area's senior community through your commitment to the Games.

We are again requesting your support to help make the 2007 Senior Games a successful event for the seniors. Some of the specific areas in which your station could provide support would be:

1. Listing the Games in the "Community Calendar" section of your Website
2. Linking our website www.geocities.com/philaseniorgames with yours
3. Production and airing of a PSA about the Games
4. Coverage of the Opening Ceremonies at LaSalle University on May 21st from 9:00 – 10:00 a.m.
5. Provision of an Honored Guest to attend our Annual Banquet, to be held at Romano's Catering, 1523-63 E. Wingohocking St., 215-289-2020

Our registrations are scheduled to be available for distribution to the public on April 15th; perhaps PSA's could begin to be shown from that point onward.

Again, thank you very much for your gracious support of the Philadelphia Senior Games. I will be contacting you shortly in case you should have any questions or you can contact me anytime after 2:00 P.M. at 215-685-1246.

Dear Linda,

Thank you so much for participating in our Pie in the Sky fundraiser this year. Your support makes it possible for us to deliver a bountiful Thanksgiving dinner for four to our clients during the holidays and continue to deliver more than 1,800 meals a day. With your help, we sold more than 9,750 pies - but the mail keeps coming in, so there may be hundreds more by the time this reaches you!

Thanks to all of the generous additional donations, which included an entry in the raffle for US Airways tickets, we raised an extra \$31,493 this year and brought the total income to \$273,727. The apple pie was our top seller, reaching a total of 2,585 pies, followed closely by the "Strike it Rich" pie at 2,314.

We sincerely appreciate everyone's continuing support of MANNA's mission to deliver nourishment to people in our community living with life-threatening illnesses. This has been a significant year for MANNA, as it marked the beginning of our expanded mission to serve clients living with cancer, diabetes, and other illnesses in addition to those living with HIV/AIDS.

We hope you enjoyed being a part of Pie in the Sky as much as we did and we look forward to working with you next year. As always, we will continue to try to make next year's event better and your input and comments are always welcome. If you have any questions or suggestions, please contact Meg Rider, Assistant Director of Development, at 215-496-2662 ext. 115 or mrider@mannapa.org. We have a busy spring ahead of us, so don't forget to visit our website calendar at www.mannapa.org to find out what's coming up at MANNA.

Wishing you a happy and healthy New Year from everyone here at MANNA!

Ms. Rebecca Campbell
President & General Manager
WPVI-TV
4100 City Ave

Dear Rebecca:

On behalf of the Ad Council's Board of Directors, I would like to thank you for WPVI-TV's continued support of our PSAs. In 2005, your station donated valuable and substantial airtime to the Ad Council's PSAs, demonstrating your commitment to public service and the well-being of your viewers.

In appreciation, we have shed light on your generosity by sharing your wonderful support with Congressman Fattah. (Please find enclosed a copy of the letter we mailed to Congressman Fattah on your behalf, highlighting your support of the Ad Council's campaigns.) This is one small gesture we do every year to thank those select TV stations who have demonstrated an exemplary commitment to our PSAs.

We are happy to report that in 2005, the media--including TV, cable, radio, newspaper, magazine, online, outdoor and alternative--donated an unprecedented \$1.83 billion in time and space to our campaigns. It is because of the generosity of stations such as WPVI, that the Ad Council has been able to raise awareness, change behaviors and ultimately, save lives.

Moreover, broadcasters such as yourself allow the Ad Council to communicate critical messages to the American people during our country's times of need. From our time-sensitive messages we distributed immediately after Hurricane Katrina and Rita to our more recent PSAs to help hurricane victims distressed by mental health problems and housing discrimination, your support has been vital.

For over 60 years, the Ad Council's mission has been to leverage the power of the media and advertising communities to create positive social change. WPVI's support and dedication to public service makes that possible and we are extremely grateful.

Should you have any questions or would like the Ad Council to send letters to any other Congressmembers in WPVI's viewing area, please contact Danna Lombardi, the Ad Council's Director of Nonprofit and Government Affairs at dlombardi@adcouncil.org or (212) 984-1905.

Dear Congressman Fattah:

The Advertising Council, the nation's largest provider of public service advertisements (PSAs), is pleased to inform you of the exceptional support our PSAs received from television station WPVI-TV (located in your Congressional district and owned by Disney Enterprises Inc.).

This station's commitment to public service allows the Ad Council to communicate critically important messages to your constituents, helping the families and communities of your district.

For more than six decades, the Ad Council has marshaled the pro bono resources of the advertising agency and media communities to deliver thousands of inspirational messages for the American people. In fact, our PSAs would never reach the public without the generous support of our media partners and stations like WPVI. Rather than paying for airtime for our PSAs, we rely exclusively on donated advertising time from the media. We are delighted to report that in 2005, the media donated an unprecedented \$1.83 billion in free airtime and space.

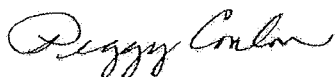

Because of the media's remarkable generosity, the Ad Council was able to communicate critical messages to the public on a host of pressing issues, including preventing underage drinking and childhood obesity, promoting early childhood development and encouraging parents to use booster seats. In addition, the media continues to lend its support to the victims of Hurricane Katrina by supporting our PSAs to prevent housing discrimination and provide mental health services to the families and first responders impacted by last year's tragedy.

Please join me in commending WPVI-TV for using its valuable airtime to improve the lives of your constituents. You may contact the station at the following address:

Dear Ms. Munich,

On behalf of Art-Reach, I would like to say thank you very much for broadcasting a 15-second Public Service Announcement for our nonprofit organization. Your station's generosity is truly appreciated and will help our organization to better serve our community.

Art-Reach's primary activities are to overcome financial and physical barriers and make the arts more accessible to people who might not otherwise have the opportunity to enjoy arts-related experiences. We primarily do this through the following programs: 1) the Ticketing Program; 2) the In-Facility Program; 3) the Workshop Program; and 4) the Access Guide. These four programs enable people of all ages, economic backgrounds, and physical capabilities to enjoy cultural events and benefit from the richness of the arts.

Dear Ms. Campbell:

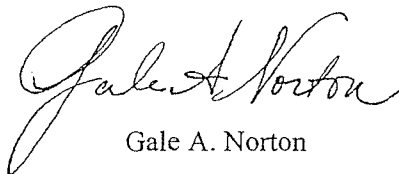

We provided you with a series of Take Pride in America® public service announcements featuring Clint Eastwood last fall. You, along with 225 other stations, shared these PSAs with your viewers and helped our message reach 19 million viewers in all of the top twenty media markets in the Nation. I want to extend my personal thanks for informing the American public of the special legacy we share of parks, forests, and other public lands and the opportunities available to help protect and enhance these special places!

Your support of Take Pride in America has increased stewardship on public lands across the country and Americans, both young and old, have responded by volunteering on lands maintained by Federal, state and local agencies. The number of Take Pride volunteer events has increased, along with interest in our programs such as the Take Pride in America Schools Program that is designed to involve our youth in volunteer service.

Spring and summer are peak periods of volunteerism on our Nation's parks, playgrounds, waterways, and wildlife refuges. I encourage you to air the Take Pride public service announcements throughout these summer months. With your continued support, Take Pride's message will reach citizens in every community. If you need additional copies of the PSAs or further program information, please e-mail TakePride@ios.doi.gov.

One of my favorite accomplishments as Secretary of the Interior was the reintroduction of the Take Pride in America program in 2003. I believe Americans should help care for the natural and cultural treasures that cover this great Nation. Thank you again for your participation in the Take Pride in America public service campaign and for your commitment to sharing this special message in the months ahead.

Sincerely,

Gale A. Norton

Dear Linda:

We really appreciate the Public Service Announcements WPVI has run over the past few months for National Liberty Museum activities. They are so helpful in getting the word out to area residents about what we have to offer.

As a recent example, we had a record number of visitors at the Museum this Monday for free King Day admission and activities. Many, many visitors said they heard about it on Action News. More than five hundred came in total, and it was a rewarding and meaningful (and free!) experience for all.

Thank you again for keeping us in mind, and keeping the public informed about our worthwhile events. We appreciate everything that you do.

Dear Linda Munich,

Please accept the enclosed poster as a small token of our appreciation for your continued support of the American Red Cross. By ensuring that our PSAs are on air in times of trouble, such as throughout the recent hurricane season, and all year round, you help share lifesaving messages with the public. On behalf of the many people we help in communities across the country each year, we are grateful to you for helping the Red Cross.

We are excited to tell you that, as our Help America PSA campaign expires on March 14, 2006, a revised version of the campaign will launch in February. Help America 2006 takes the best of the campaign's elegant, inspiring theme and illustrates it with fresh new creative artwork. We hope that you will continue to support the Red Cross in your community by retiring all previous Red Cross PSAs and replacing them with the new work, which will be distributed to you via mail. As always, these and other PSAs will be posted in our Press Room at www.redcross.org.

Once again, thank you for all that you do for our organization. You play a vital role in Red Cross relief efforts during disasters large and small.

Dear Ms. Munich:

Greetings from Veterans Upward Bound at the University of Pennsylvania! I am the new counselor for the Veterans Upward Bound Program, replacing Ms. Megan Smith. I understand that over the past two years, you have faithfully broadcasted the following 15-second public service announcement for our program:

6-ABC...A Community Connection...Eligible veterans can prepare for college...free!...at the University of Pennsylvania's Veterans Upward Bound Program. Call 215-898-6892.

As we have received many inquiries resulting from this announcement in the past, we would be so grateful if you would agree to rebroadcast it during appropriate time periods through January 9, 2006.

I have also enclosed, for your information, a copy of the Fall 2005 VUB student newsletter. We will also continue to keep you informed of any future projects at VUB during the upcoming academic semester.

Again, thanks very much for your support of Veterans Upward Bound.

Sincerely,

Dear Ms. Munich,

This summer visitors to Philadelphia played colonial games, joined trained guides on historical tours, and listened to dozens of new stories during Once Upon A Nation, and we couldn't have done it without you! Here are a few of the hundreds of stories that visitors to Philadelphia have told us this summer:

"I can't think of a better way to make history accessible to all."

--Alexandria, VA

"Maybe, I kinda like history now. Can we do all thirteen benches?"

--7 year old from Louisville, KY

"Although Colonial Williamsburg is charming ---we don't really have to go that far! All we need to do is jump on SEPTA and go downtown for a most enjoyable and ingenious venue for 'getting in touch with our 18th century'."

--Lansdale, PA

"The highlight of our trip were the storytellers with Once Upon A Nation. We spent two days accumulating our stars and even had repeat trips to a few favorites. I've told many friends about Once Upon A Nation and encouraged trips to Philadelphia for this experience. I hope you will continue this worthwhile endeavor!"

--Macon, Georgia

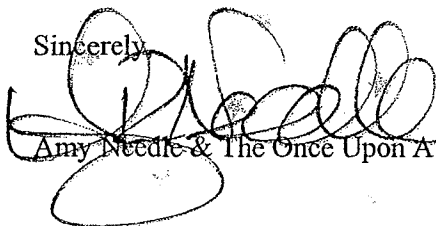

"Your bench storytellers and reenactors helped our children (5,7,9) really understand the importance and significance of many historical figures and events. Our trip to Philadelphia was one our family will never forget. Thank you."

--Noblesville, Indiana

Without your help, these visitor stories would not have been told. You and your organization have been such a valuable component to our success. And although the storytelling benches are in storage for the winter, we have continued the very successful *Independence After Hours Tour* and the *Tippler's Tour* through November 1st. We have also created a Halloween tour called *Cobwebs and Cobblestones* that will run through the month of October.

Thank you for helping Once Upon A Nation make history come alive for 231,000 visitors this summer. Hip, Hip Huzzah for Philadelphia!

Sincerely,

Amy Needle & The Once Upon A Nation Staff

Thanks
Linda!

Dear Rebecca:

On behalf of the Ad Council's Board of Directors, I would like to thank you for WPVI-TV's invaluable support of our PSAs. This past year, WPVI repeatedly demonstrated an outstanding commitment to improve the lives of your viewers. By donating valuable airtime to a variety of pressing social issues, you distinguished your station as a caring resource for your community.

To commend your generosity, we have mailed a letter to Congressman Fattah, saluting your wonderful support of the Ad Council's PSAs (please find enclosed). This is one small gesture we do every year to thank those select TV stations who have demonstrated an exemplary commitment to Ad Council PSA campaigns.

We are proud to report that in 2004, the media (TV, cable, radio, newspaper, magazine, online, outdoor and alternative) donated an unprecedented \$1.7 billion of valuable inventory to our campaigns. That breathtaking number means we were able to devote \$1.7 billion to raise awareness, inspire action and literally, save lives. It is because of the generosity of stations such as WPVI that fewer wildfires have been started, fewer minds have been wasted, and fewer families experienced the grief of domestic violence or gun violence.

In addition, you helped us spread the word about our newly launched PSA campaigns: promoting booster seats, preventing obesity, ending online sexual exploitation, and encouraging adoption. Finally, you helped the Ad Council mobilize the country around life-saving and time-sensitive messages in regards to Hurricane Katrina, tsunami relief and flu prevention.

Ultimately, it doesn't matter how creative, poignant or powerful our PSAs are--a PSA can only have an impact if it is watched, heard, read, or clicked. WPVI's support makes that possible. On behalf of the non-profit organizations the Ad Council represents and the countless people you have helped, I offer a very heartfelt thank you.

Should you have any questions or would like us to send a letter to any other Congressmembers in WPVI's viewing area, please contact Kate Emanuel, the Ad Council's Senior Vice President for Nonprofit and Government Affairs at kemanuel@adcouncil.org or (202) 331-4152.

Dear Congressman Fattah:

The Advertising Council, the nation's largest producer of public service advertising, is pleased to inform you of the impressive support that WPVI-TV has donated to our public service advertisements (PSAs).

In 2004, WPVI (located in your Congressional district and owned by Disney Enterprises Inc.) donated valuable and substantial airtime towards Ad Council PSAs. By communicating these critically important messages to your constituents, WPVI is helping to improve the lives and communities in your district.

We are proud to report that last year, the media (TV, cable, radio, newspaper, magazine, online, outdoor and alternative) donated an unprecedented \$1.7 billion to our campaigns. That breathtaking number means the Ad Council was able to devote \$1.7 billion to raise awareness, inspire action and literally, save lives.

In addition, the media's generosity allowed us to spread the word about our new PSA campaigns launched in 2004: promoting booster seats, preventing obesity, ending online sexual exploitation, and encouraging adoption. Finally, the nation's TV stations helped the Ad Council mobilize the country around life-saving and time-sensitive messages in regards to Hurricane Katrina, tsunami relief, and flu prevention.

Ultimately, no matter how creative or powerful the Ad Council's PSAs are—a PSA can only have an impact if it is heard, watched, read or clicked. WPVI's invaluable commitment to public service has made that possible.

Please join me in commending WPVI for its laudable commitment to improve the lives of your constituents and communities.

If you have any questions regarding this TV station's impressive contributions, please have your office contact Kate Emanuel, the Ad Council's Senior Vice President for Non-profit and Government Relations at kemanuel@adccouncil.org or (202) 331-4152.

Dear Linda:

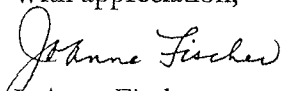

On behalf of Maternity Care Coalition (MCC) and the families we serve, I would like to thank you for the recent donation of air time to broadcast a 15 second PSA in support of our *Cribs for Kids Father's Day Community Crib Drive*. Your generous contribution helped to raise awareness about the need for cribs for families in need. We collected numerous cribs and were able to distribute them to families, ensuring a safe place for their babies to sleep and rest.

Maternity Care Coalition is a non-profit agency whose mission is to improve maternal and child health and well being through the collaborative efforts of individuals, families, providers, and communities. MCC's signature program, the MOMobile®, provides community-based outreach and family support. Using brightly colored vans and door-to-door canvassing, MCC staff identify pregnant women in neighborhoods known to have high rates of infant mortality, teenage pregnancy, poverty, child abuse/neglect, and changing patterns of immigration.

MCC has served more than 50,000 mothers and their children in the region through direct service, and influenced the lives of many more women and babies locally and beyond through its education and advocacy initiatives.

Your support of this innovative and important work will help MCC make a significant difference. Thank you again for helping us to *strengthen families, one baby at a time*.

With appreciation,

Dear Linda,

Thank you for adding the Delaware Sports Museum and Hall of Fame to WPVI-TV 6's Community Connection. Our need for volunteers, like many non-profit museums, is ongoing. Included are opportunities for our Speaker's Bureau, researching new areas of history for future exhibits and acting as docents and tour guides for group tours.

Over 230 athletes, coaches, referees, journalists and administrators have been inducted into the Hall of Fame since 1976, including many who played in Philadelphia for the Phillies, Eagles, Villanova, Temple and LaSalle Universities.

For more information on the 5000 square foot museum that houses over 150 years of the history of sport in Delaware, you can visit our website at www.desports.org for Museum gallery photos plus much more. Thank you 6-ABC for this service.

I just wanted to thank you again for assisting the Friends of Independence National Historical Park for the 2005 season of the Philadelphia Open House tours.

Even though we offered 12 less tours and programs, we were still able increased our numbers over last year's attendance. I feel this increase is due to the promotion and marketing plan we executed this year.

We tried to track as best as we could how and where the people calling to purchase tickets learned about Philadelphia Open House. We were very excited to learn that many of the calls were generated by the PSAs seen on Channel 6.

I hope we can work together again in the future. Thank you again for all of your assistance.

We can't thank you enough for contributing to the success of our Black History Month activities last month.

Hundreds of local families visited the Museum in February to take advantage of our free activity guides, tours and crafts celebrating black history. Many attendees said they heard about it during the morning shows on Action News.

Dear Ms. Munich,

We are very grateful that you have agreed to support our efforts to reach the public so that we can offer our wonderful parent education and prevention services to the entire city. We have adopted this national program, The Parent Project®, because it directly speaks to the problems that many families encounter raising their children today and provides concrete solutions. Our experiences delivering this program and the feedback of our participating families have served to reinforce our commitment to this practice.

The Family Court Parent Project Program is an ongoing effort. We have already scheduled classes at 4 times and locations beginning Jan. 22nd through mid Feb., with more to come. Hopefully, people will contact us from your announcements so we can match them to the program best suited to their needs. I am taking this opportunity to thank you and Mr. Diego Castellanos for cooperating with the effort of the Pennsylvania Department of Banking to bring important information to the viewers of WPVI-6 regarding various issues on lending. Mr. Castellanos has consistently assisted our office in working through his programming to share information that will assist viewers in avoiding schemes that cause risk of loss, sometimes of their one asset, their home.

I also want to add my personal appreciation for the exemplary track record of Mr. Castellanos and Puerto Rican Panorama in providing a connection for Latino viewers in our area to information and entertainment that affirms their place in the landscape of our region. So many times, we seek ourselves on the media, only to find that we are pictured in a negative and demeaning fashion. Puerto Rican Panorama has enabled many to understand the richness of our cultural heritage and how it enriches the landscape, not as the burden it is sometimes portrayed.

We will continue to seek assistance from Puerto Rican Panorama in reaching viewers who might not otherwise know the work of the Department of Banking in protecting consumers from abuse.

Dear Chairman Martin and Commissioners Copps and Tate:
I am writing to you to support the renewal of the broadcasting license of
WPVI/6abc here in Philadelphia.

In my capacity as media liaison for Aid For Friends, I have had regular,
ongoing contact with employees at this station for ten years. I would
characterize 6abc's commitment to the local community as excellent.

As a grass roots charity (with 16,600 active volunteers here in Greater
Philadelphia), we are always eager to have local television stations cover our
activities. The newsroom at 6abc has been exceptionally responsive to our
requests, covering everything from how we help shut-ins during heat waves
to the delivery of a refrigerated truck (a gift from Harrah's Casino) to large
group cook-ins on the Martin Luther King, Jr. Day of Service to special
holiday projects we've developed for the homebound people in our program.
In the late 1990s, 6abc even profiled us during their annual "Save A Life"
campaign on fire safety.

A few years ago, I worked closely with the producer of *Visions*, which airs stories of special interest to the minority community, on a full-length feature segment about a private individual's museum-quality collection of Civil War artifacts. (The collector lent us some of his most extraordinary treasures to exhibit as a one-time-only fundraiser.) It was a superb report, well-researched and well-told. I am certain that many people who watched it had no idea a collection of such rare and fascinating objects was right here in Philadelphia.

I have learned over the years that the journalists in the 6abc newsroom are genuine professionals who will go the extra mile (or two or three) to get out onto the street to cover stories. As a former print reporter for major dailies in the Philadelphia area, I see a culture in that newsroom that I respect enormously because it is one of *service* -- serve the viewer, serve the community. No journalist can aspire to a higher or better ethic than that.

Another component of my job is to promote fundraising events. (We provide all our "food and friendship" services to shut-ins FREE of charge so we must raise our budget from the community.) Linda Munich, the director of public affairs at the station, has been unfailingly generous to us with PSA air time. Ms. Munich has been with 6abc for many years, understands local people and local needs and will move heaven and earth to help in any way she can. Again, the watchword is *service* -- serve the viewer, serve the community.

I would be remiss if I didn't mention that 6abc also does many wonderful things that have absolutely nothing to do with me professionally but that I love as a viewer. My favorite is "The Best In The Class," wherein they film the high school seniors all over the Delaware Valley who have graduated first in their classes. The annual project even has its own theme song. (And I'd wager hundreds of thousands of us know it by heart after all these years.)

In recognition of, and with gratitude for, all that 6abc does for Aid For Friends (and the 2,194 elderly and handicapped shut-ins we currently serve), I respectfully ask that you renew the station's license. The people there do a

Dear Ms. Carpenter:

Thank you very much for 6ABC's coverage of the Third Annual Love Park Domino Festival, which was held on July 14.

This year was our biggest turnout ever including children, adults and tourists visiting Philadelphia. Domino players from Pennsylvania, New Jersey, New York and Connecticut participated. Our overall grand prize winners this year came from Perth Amboy, N.J. and the National Domino Federation USA has agreed to provide them automatic entry in a domino tournament this November in Florida.

I look forward to having the Love Park Domino Festival again next year. I will soon begin discussions with the organizers of Philadelphia's annual Welcome America celebration to make the Domino Festival a part of next year's events leading up to July 4.

We are also excited that all the funds raised through sponsors will provide many children and their families with an all expenses paid trip to Camp William Penn later this month. For many of these families, it will be their first camping experience.

Thank you again for 6ABC's support of this event and I look forward to working with you in the future.

Dear Linda,

I hope you are doing well. I am happy to share with you how many phone calls we have received from your recent PSA campaign promoting the Kidney Walk at the Philadelphia Zoo. I cannot thank you enough for choosing to support our walk. We have reached so many more Delaware Valley individuals with kidney disease who are in need of our services and thrilled to learn of our support.

As the Kidney Walk quickly approaches, I wanted to provide you with a bunch of our brochures to hand out among your colleagues and to withhold for your records. Please pass one along to Anita Brikman, who is featured in the print piece as our honorary spokesperson of the day. We are very much excited to have her join the event's festivities!

Thank you again for helping publicize the 6th Annual Kidney Walk at the Philadelphia Zoo. It is my hope that you will be able to join us that day.

Dear Ms. Campbell:

As the Executive Director of the Domestic Abuse Project of Delaware County, Inc. ("DAP") it is a pleasure to drop you a note concerning WPVI TV (6) Reporter Sarah Bloomquist's handling of the news story last week involving our Agency.

For 30+ years, DAP has been the sole provider of domestic violence prevention and intervention services on behalf of the 550,000 residents of Delaware County. More information on the Agency can be viewed at www.dapdc.org

On December 3, 2007, an elderly woman drove through the glass front of *Nana's Attic Thrift Store* and continued over 50 feet into the rear of the store causing significant financial damage to both the premises and our inventory. Luckily, no one was seriously injured.

Ms. Bloomquist was extremely professional working on-site at Nana's Attic and her reporting on both the six o'clock and the eleven o'clock news broadcasts was very much appreciated for both its public service component and her generous support of the Agency and our mission.

Specifically, I wish to commend her and the station for Ms. Bloomquist's inclusion of an appeal to your Delaware County

Contributions to the Domestic Abuse Project are federally tax-deductible within IRS regulations.

viewers to bring all available donations to the Store. All inventory at the Store are generous donations from the community. (Most of our inventory needed to be trashed after the incident due to the significant extent of glass which blanketed the Store and the contents.)

All proceeds from *Nana's Attic Thrift Store* support the direct service work of the Agency's 19 professional and 6 part time staff who provide a comprehensive array of domestic violence prevention and intervention services for 5,000 or more residents of Delaware County each year.

We believe that Ms. Bloomquist's coverage of this incident and the role played by WPVI TV 6 was instrumental in the overwhelming response we received from the community and the significant amount of donations which began arriving at the Store on Tuesday morning, December 4th.

We are gradually coming back into our own and wished to express our sincere appreciation to you and Ms. Bloomquist for your tremendous contribution to the effort.

Best wishes to you and everyone at WPVI TV 6.

Sincerely yours,

Dear Linda,

We want to thank all of you at WPVI- TV, Channel 6 ABC for the wonderful coverage you gave *Kites: Art Takes Flight*. You certainly brought this public art project to the attention of our community. So many people told us that they knew about the kites because of your early TV spot and all of the announcement on Channel 6. It also was terrific to have Don Polec do a segment right before the auction.

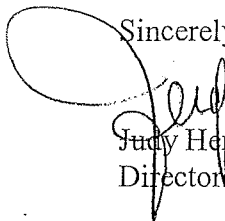

It is exciting that you stepped forward to join our efforts to take art to the public. Channel 6 is great community partner.

Dear P.J.,

I just wanted to send you heartfelt thanks for your wonderful support of the 2006 Blue Cross Broad Street Run. The continued success of this event is due in part to the outstanding support of our sponsors like 6ABC. It is a pleasure each year working with the many sponsors, volunteers, staff members of the many city agencies and the runners to make this the best race in Philadelphia each year. Welcome aboard. Thanks for your help.

This year we registered 15,325 participants and had 13,589 runners finishing the race. We continue to be the second largest 10-mile event in the USA behind the Army 10 miler in Washington, DC held in October of each year.

Our new location of the Expo at Lincoln Financial Field turned out to be a tremendous success thanks to the great work of our Expo Director Terri Kerwawich and her staff along with the great stadium staff of the Philadelphia Eagles. The overall comments were very positive from the runners, vendors and staff and we are looking forward to working with the Eagles in the future. The Marine Parade Grounds at the Navy Yard continued to provide us the opportunity to expand our Kids' Fun activities, the Fun Miler for kids and the various sponsor and entertainment areas at our finish line.

Additionally, we increased the entertainment on the course with additional Drill Teams, Gospel Choirs, a big band, 5 radio stations, cheerleaders, two high school bands and a String Band. As an added special for the runners, we also had the Polish American String Band play for them as they crossed the finish line.

This event for the benefit of the American Cancer Society continues to be one of the major traditions of springtime running in the Philadelphia area and we hope that you will continue to support this event in years to come. Enclosed, please find a token of our appreciation and accept our thanks for your support of this great event.

Sincerely,

Dear Ms. Campbell:

On behalf of the Lu Lu Shriners of Plymouth Meeting, I wanted to express our heartfelt thanks for August 29th piece on *Action News* educating the public about Shriners Hospitals for Children.

So often news organizations are criticized for negative and sensational journalism. However, this lengthy, positive piece was just the opposite. I wanted to thank you and extend this to your staff in the newsroom.

I am including a press release we did on one of our members, Jonathan McSurdy, who is now part of a national advertising campaign to raise awareness about the hospital. Jonathan is a native of the Delaware Valley, who was once a patient at Shriners Hospital and now volunteers there nearly every Saturday. He is also an active member of the Lu Lu Shriners, participating with the Mounted Guard unit in our many parades. Amazing considering that before he went to the Shriners Hospital he was told he'd never walk again.

One of your crews did tape some B-roll of Jonathan as he visited the hospital on May 6 for a possible piece in the Wachovia Bike Race. The piece never came to fruition, but we can certainly see him involved in a "Prime Time" segment or one of your other news or public affairs programming. Jonathan will be sharing his story with 60 audience members of the Philadelphia Rotary on Thursday, October 20th at the Union League. Perhaps you will be able to join us as our guest.

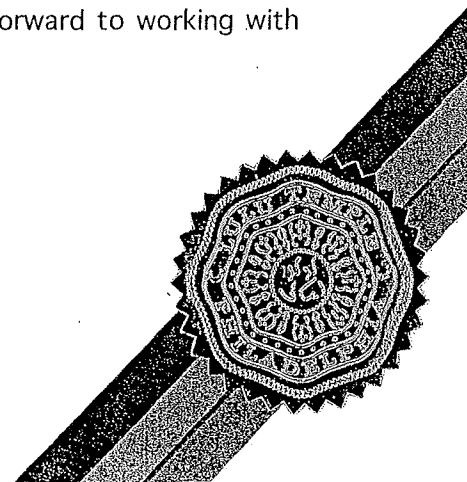

Again, thank you for your past positive coverage and we look forward to working with your staff in the future.

Sincerely,

Dear Rebecca,

Many, many thanks for Disney Worldwide Services, Inc.'s payment of \$10,000 on behalf of WPVI-TV 6ABC to support the *Once Upon A Nation* initiative!

Over our opening weekend alone, more than 5,000 people visited the storytelling benches and attended our inaugural evening storytelling performance by General George Washington. Since then, thousands of children and adults have listened to free stories throughout the historic district, attended performances by Washington and Edgar Allan Poe, and taken brand-new adventure tours that include special experiences like a visit Independence Hall after hours. We have been proud to partner with the Delaware Valley's leading television station to get the word out about these fabulous new programs.

As always, we appreciate your generous support of *Once Upon A Nation*!

Dear Ms. Campbell:

I am pleased to thank you for your pledge of \$700 to the Anti-Defamation League.

Your very generous support enables ADL to more effectively combat anti-Semitism and all forms of hatred and intolerance. Our goal is to ensure fair and just treatment for all by countering threats to our communities as they arise.

ADL responds daily to incidents of harassment, bias and discrimination across the country. Thanks to your support, ADL is able to:

- Monitor, expose and report on the haters and the bigots
- Broaden our battle against hate on the Internet
- Conduct anti-prejudice training in schools and in the workplace
- Respond to individual victims of prejudice and anti-Semitism
- Help maintain the separation of church and state in America
- Organize workshops throughout the U.S. to teach our schools and religious organizations how to implement tighter security measures
- Assist local, state and Federal law enforcement agencies to recognize and combat hate crimes and violent bigotry.

In addition, ADL is intensifying its efforts to monitor electronic and print media reports from the Middle East. We hold sources accountable for misinformation, inaccuracies, or bias. A public record of unfair media coverage can be found on our website, www.adl.org.

Your contribution to ADL's mission and programs is truly appreciated.

MAY 27 2005

Dear Ms. Campbell,

I wanted to personally thank you for helping us celebrate the 15th anniversary of the Susan G. Komen Race for the Cure® in Philadelphia. What a wonderful event! Over 40,000 people signed up to participate in this Mother's Day tradition, and 125,000 joined us on-site to lend their support in the fight against breast cancer. The generosity of time and spirit that I see in this community never ceases to amaze me.

The Komen Philadelphia Race for the Cure® sees so many special moments, from families and friends gathering together to honor loved ones, to the cascading sea of pink of more than 4,000 breast cancer survivors marching triumphantly down the steps of the Art Museum. The joy, the tears, and the celebration of life shared with so many people from across the Delaware Valley happen thanks to the presence of you and the other members of the media who help share this event with the entire community.

The media is incredibly important to our mission to eradicate breast cancer as a life-threatening disease because so many women still do not know where to turn for a mammogram to increase the chances of early detection of breast cancer, or for treatment to mitigate its effects early on. By bringing to light our mission and our message, you give these women, their families and their friends hope that having breast cancer need not be a fatal condition, that one day we will find a cure.

I've heard so many wonderful things about your coverage of the Race, but unfortunately, I was unable to see it firsthand. If possible, I would be most appreciative if you would please send me a copy of your piece on the Race so that I can show other members of our Affiliate family the hard work you've done to contribute to the fight against breast cancer.

Again thank you so much for your support. I hope we can continue to work together until we see the day when women no longer have to fear this disease.

Sincerely,

Elaine I. Grobman

Thank you for WPVI-TV6/ABC's gift of \$1,200.00 to WOMENS WAY, received February 18, 2005, for our 28th Annual Event, *Today's Women – Tomorrow's World*, honoring the legacy of Shirley Chisholm.

We are grateful for your commitment to WOMENS WAY and the thousands of women touched each year by the agencies we support and the public education and advocacy initiatives we spearhead. Gifts like yours enable WOMENS WAY to fund more than 30 area women-focused agencies each year, to host critical dialogues at groundbreaking conferences, to initiate monthly electronic campaigns for change – in short, to make our tagline - *A Powerful Voice for Women* – a reality.

We invite you to utilize our dynamic, redesigned website at www.womensway.org as a resource for information about women's services, events and opportunities in our region. Dear Rebecca:

Thank you for your support of the 2005 Philadelphia International Auto Show *Black Tie Tailgate* Preview Gala held on Friday, February 4 at the Pennsylvania Convention Center. We sold more than 3,600 tickets to this year's event, a record number. We hope you and your guests enjoyed the opportunity to see one of the largest and finest Auto Shows in the world.

Through the success of the 2005 *Black Tie Tailgate* and Philadelphia International Auto Show, the Auto Dealers CARing for Kids Foundation will make a donation of \$333,333 to The Children's Hospital of Philadelphia. This is the first installment of our new \$2 million pledge to support construction and maintenance of the Auto Dealers CARing for Kids Foundation Patient Welcome Center in the Richard D. Wood Pediatric Ambulatory Care Center.

Your sponsorship commitment has made it possible for us to take the Black Tie Tailgate to the next level, which allows us to fulfill our pledge to the Hospital. We also appreciate you taking a personal interest in the event to help ensure our success.

We have enclosed various samples of the Black Tie Tailgate materials so you can see your logo/advertisement or company name as it appeared. Thank you for your continuous support of *Black Tie Tailgate*. Dear Ms. Campbell,

On behalf of the Board of Directors, our staff and most importantly, the people we serve, I want to thank you for your outstanding support for our Oscar Night America 2005 event.

Let me begin by thanking you for Monica Malpass, our Master of Ceremonies. Ms. Malpass was superb, a consummate professional who knew about every facet and program of our organization. Under her leadership the evening was one filled with warmth and love.

Sally Ann Mosey and Don Polec greeted each of our guests who marched down our version of the Red Carpet. They set the tone for the evening with their energy, enthusiasm and humor. They made all who attended feel like "stars".

From our point of view, the person who really is our bedrock for this event is Terry Belford. He has been with us each year for the last six years and has become an indispensable part of our team. His technical wizardry and creativity literally orchestrates the event for us and makes those in attendance feel like they are in Hollywood.

Thank you for your generosity and support. You have demonstrated a commitment to the community which is second to none. Your support of our event which benefits those in need demonstrates your leadership in and commitment to the Greater Delaware Valley.

Again, thanks for your support it means so much to us and those we serve.

Sincerely,

Dear Bernie:

On behalf of The Salvation Army of Greater Philadelphia, thank you so much for your efforts as well as those of everyone on the team at WPVI-TV for partnering with The Salvation Army for 6abc and Oprah's Big Give. We are grateful for your support and pledge to you in return to do the most good possible with donations we received as a result of the event.

We were humbled when management expert Peter Drucker labeled The Salvation Army "by far the most effective organization in the U.S.," citing our "clarity of mission, ability to innovate, measurable results, dedication, and putting money to maximum use." I am pleased to tell you that we continue to do so efficiently, applying 91-cents of every dollar directly for programs to serve those in need.

Last year, we provided over 725,000 meals to low income and homeless people, many of them children, as well as over 280,000 nights of shelter, with all the accompanying support services that we know must be part of the solution in a person's life (eg. life skills education and counseling). We are providing a robust range of programs and services through nine neighborhood corps community centers and eight major residential programs in this area alone. Additionally, we have an excellent, free music education program for youth or and we provide in-home support and job placement for developmentally disabled adults.

There is so much more I could share with you, but suffice it to say that we could not possibly do all that we do without your support.

Thank you for your vital support and God bless you!

Dear Bernie and Linda:

What an unbelievable gift you provided to the Police Athletic League of Philadelphia as part of the 6ABC Oprah Big Give fundraiser. We wanted to take a moment to extend a great thank you to you for this generosity. This wonderful gesture is a testament to your organizations' kindness and philanthropy. Your station did all the work and made this so easy and so beneficial for PAL.

6ABC has been a dear friend to the Police Athletic League for decades. As you know firsthand, we are working tirelessly to make a difference in the lives of inner city children in Philadelphia. Because of you and businesses like 6ABC, we are able to provide all these programs and services at zero cost to our young people. No child will ever pay a penny for any equipment, program, coaching, or materials. Thank you for being such a huge part of this effort!

Linda and Bernie, you are both fantastic! We wish you and everyone at 6ABC everything wonderful throughout the rest of this year. Your service to disadvantaged communities in Philadelphia is exemplary. We look forward to working with you on all things PAL related in 2008 and beyond and we thank you once again for all you have already done for the Police Athletic League of Philadelphia!

Dear Mr. Prazenica,

The Carroll Park Neighbors and I would like to thank you for your support of the Philadelphia Flower Show.

In the summer of 1997, the residents of the Carroll Park community came together and rescued Carroll Park from 30 years of abuse and neglect. The drug dealers and prostitutes who congregated in the park, day and night, had become the scourge of this neighborhood. However, with the advice and continuing support from Philadelphia Green, Carroll Park, located at 58th Street and Girard Avenue, is now the pride of this part of West Philadelphia.

The proceeds from the Flower Show fund Philadelphia Green projects and our success story is being replicated in neighborhood parks in all parts of Philadelphia. Park volunteers host programs and activities for our respective communities to enjoy and we also provide a clean and safe venue for various organizations. Hopefully, the pictures I have enclosed will help tell our story far more eloquently than my words.

Thank you, again, for supporting the Flower Show. Your generosity is greatly appreciated.

Sincerely yours,

Dear Mr. Prazenica:

Your continued support and outstanding coverage has helped make this year's Preview Reception and Dinner and The Philadelphia Flower Show, once again, *extraordinary!* I am writing to thank you for that and to let you know that the recipients of your generosity – through Philadelphia Green – (our neighbors, communities, and travelers), are grateful for the blooms and green that you have made possible in so many important communities and corridors, throughout our "Greene Country Towne."

Your generosity has made my job as Chairman of this year's reception and dinner easy and rewarding. It further motivates the talents of Jane and her dedicated staff, along with the exhibitors, competitors, and the hundreds of volunteers. You, along with so many others, have helped to create a contemporary page in our history that springs to life year after year. Thanks to your support, this event was second to none – shared amongst friends, family, and colleagues in a venue of color, sound, fragrance, food, and fun!

Philadelphia's historic asset of bricks, bells, Billy, Betsy, and Ben defines our past. The money raised at The Philadelphia Flower Show's Preview Reception and Dinner defines our future. Billy, Betsy, and Ben would be proud, as I am grateful. Thank you again for your most generous support of this year's dinner and show.

Thank you very much for celebrating Juror Appreciation Day with us this year. Your speech was the highlight of the program. Everyone – from the jurors to the judges – appreciated and took meaning from your heartfelt remarks about your recent experience as a juror.

We invite local celebrities to add excitement to the program. You did something more than that. You spoke to the jurors as a fellow juror – you gave voice to their concerns and you allayed their worries with the story of your own satisfying jury duty experience.

It was a pleasure working with you, and we hope we will be able to collaborate with you in the future on other court-related news stories.

Dear Bob:

My sincerest thanks for your generous contribution to Gaudenzia's annual fundraising event on May 13. I was honored to receive the Gus Amsterdam Community Champion Award on behalf of our PECO and Exelon employees in the region.

I'm delighted to report that net revenue for this year's event was \$158,000 - a 42% increase over the '07 event. That's an impressive result and we never could have achieved it without your help.

I can assure you that the funds raised will be put to very good use. Gaudenzia is the region's largest provider of drug and alcohol treatment services with over 100 programs serving more than 13,000 clients.

The Gaudenzia staff is passionately dedicated to helping people from all backgrounds break the cycle of chemical addiction and become the good fathers, mothers and productive citizens they want to be. Your financial support makes the road to recovery possible.

Thanks again for your investment in Gaudenzia...and human potential.

Dear Mr. Prazenica:

I want to thank you and your Executive Asst., Ms. Gail Green for the
WONDERFUL GIFT you gave to our young children here at Our Lady of Hope!

When Mr. O'Donnell called me and told me of your gift of 40 tickets to the
Philadelphia Zoo, I couldn't believe my ears!

Well, May 15th was not only a beautiful weather day, but it was so wonderful to
see the 1st and 2nd grade children with their teachers and chaperones board the
yellow school bus and head to the Zoo. The sad part was that it seemed like the
yellow school bus came back so soon!

A happy and exciting day was experienced by all; even the pastor and principal
had a great time!

God's many blessings are extended to you for your kindness and generosity.

Peace in the Lord,

REC'D MAR 19 2008

Dear Mr. Prazenica:

On behalf of the Philadelphia Chinatown Development Corporation (PCDC), I thank you for participating in our Lunar Celebration 2008 held on February 20th at Joy Tsin Lau Restaurant.

Despite the snow storm that evening, PCDC welcomed 400 guests at our annual event, presented by PNC Bank. We were pleased to see so many of our old friends and supporters, and to have the opportunity to meet those who were joining us for the first time. The Honorable Dwight Evans was present to receive the Community Service Award for his efforts in helping us develop the Chinatown Community Center. Mistress of Ceremonies Denise Nakano introduced a special video presentation that showcased PCDC's latest award as a Citizens Bank Foundation "Champion in Action".

Overall, PCDC was excited to see the incredible amount of support that the organization has developed throughout its forty-year history from donors such as you. The annual banquet is an opportunity to continue to promote the causes of the organization, and to welcome our donors to become partners in the work that we do in Chinatown and in the Philadelphia area. The funds raised through this annual event are crucial in allowing PCDC to provide services and programs to the Chinatown community.

We welcome your continued involvement throughout the year. Please contact Romana Lee-Akiyama, Director of Development and Programming, at 215/922-2156 or rlee@chinatown-pcdc.org for more information. You may also visit us on the web at www.chinatown-pcdc.org.

Once again, we thank you for your continued support of our organization and our efforts to preserve, promote and protect the Chinatown community.

Sincerely,

Dear Ms Munich:

The Ladies Chapter of Daylesford Abbey would like to express our gratitude for the kind coverage 6ABC gave to our recent Art Show. This benefit event is one of our most effective fundraisers and its success depends on getting the word out far and wide.

The proceeds of the Art Show sales help fund the various ministries Daylesford Abbey works with, among them are the Bethesda Project, Misión Santa Maria and the work of the Norbertine community in India.

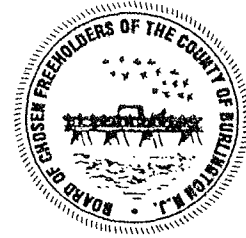

The 2008 Daylesford Art Show has once again been a big success thanks to all the wonderful artists that participated, the selfless work of an army of volunteers and the kind assistance of many in the community at large. We are most grateful for the part 6ABC played in this effort.

The 15th annual Angels Among Us 5K & Family Fun Walk on April 26, 2008 was the best ever with 1,100 runners and over 2,500 walkers joining us from all over the country. The event raised an amazing \$1,145,000.00. On behalf of the Angels Among Us Committee and the Preston Robert Tisch Brain Tumor Center at Duke, we thank you and WTVD for your contribution to this great day.

The total success of the event would not have been possible without the support of people like you. We understand that WTVD is solicited by many worthwhile charities and we cannot thank you enough for your commitment to our event.

We would also like to give a huge thanks to Monica Barnes. You are very fortunate to have someone like her representing your organization. She has been so supportive and generous to us for many years and we are thankful for her commitment to our work. We are also most appreciative of Amber Rupinta and the time she has devoted to Angels Among Us. They make this event very special.

Because of your help, we are making significant progress against this deadly disease, and patients with malignant brain tumors are living longer and with a higher quality of life. Angels Among Us is crucial to our advances – it allows all proceeds from the event to fund new and innovative research, assist with the recruitment of the most outstanding research staff and helps purchase essential equipment and supplies.

Thanks again for the generosity and commitment of WTVD. You have been a wonderful community partner with us and we promise to work hard every day and to use these resources wisely to find a cure for brain tumors.
